

HR6 Part 3-4 難題追蹤、核心單字補充(3)字彙表

【例題一】

Questions 92 through 94 refer to the following report.

We would like to interrupt this program to report an emergency weather warning. The National Weather Service has issued a severe thunderstorm warning for all of the Ohio Valley area. The storm is moving east towards the Cincinnati metropolitan area with cloud formations that produce tornados. Go inside immediately, this is a dangerous storm. Storm spotters are out tracking the storm and if they see a tornado, a siren will sound in your community. Find secure shelter immediately. If you are in a school or public building, lie down next to the wall closet to a hallway away from glass windows and doors. In high rise buildings or homes, go to the basement, kneel facing the wall and cover your head.

92. What is the purpose of this report?
